EXCLUSIVE OFFERING

505 Brevard Avenue

Cocoa, FL 32922

JM Real Estate is pleased to present the exclusive offering of 505 Brevard Avenue, a redevelopment opportunity located in the heart of historic Cocoa Village on Florida's Space Coast.

The property features a 15,575 SF multi-tenant office building situated on a 1.33-acre site with Chase Bank as the anchor tenant. The CBD-CVO zoning designation, combined with recent zoning enhancements allowing greater density and building height, creates significant redevelopment potential.

Occupying an entire city block and positioned adjacent to Cocoa City Hall and the Post Office, the property offers an exceptional opportunity for future mixed-use development in one of Brevard County's most desirable downtown locations.

Cocoa Village continues to attract both residents and visitors with its walkable environment, waterfront amenities, dining, shopping, and year-round community events.

ABOUT COCOA VILLAGE

Located in the heart of Florida's Space Coast, Cocoa Village is one of Brevard County's most vibrant and historic downtown destinations. Known for its unique blend of local charm, waterfront character, and walkable streets, Cocoa Village attracts both residents and visitors throughout the year.

Originally established through the region's fishing and agricultural industries, the district has evolved into a thriving hub of restaurants, specialty shops, entertainment venues, and community events while preserving its historic appeal.

Conveniently located approximately 20 minutes west of Cocoa Beach, the area is easily accessible via SR 520 and US-1. Visitors enjoy proximity to waterfront parks, boating access, local attractions, and a dynamic calendar of festivals and events that contribute to the area's continued growth and popularity.

Today, Cocoa Village remains one of the Space Coast's premier destinations, offering a unique combination of history, culture, dining, shopping, and community engagement.

LOCATION / ACCESSIBILITY

CENTRAL LOCATION ON FLORIDA'S SPACE COAST
